San Diego Gang Prevention and Intervention ( [www.sandiego.gov/gangcommission](http://www.sandiego.gov/gangcommission))

District Attorney's Office - <http://www.sdcda.org/office/4or40/index.html>

The idea of "4 or 40" was conceived by the San Diego District Attorney's Youth Advisory Board, made up of Lincoln High students. The title is based on the concept of choosing wisely during four years of high school or risking 40 years of struggles and hardships. The students crafted the film's story, helped during film shoots and offered input during every step of the film's production. The film was written, videotaped and edited by a local film production company while graphic designers contributed to its branding. The Youth Advisory Board will be visiting classrooms and organizations throughout San Diego County to screen the film, talk about its production and speak on its positive message. The film has been honored with a 2010 National Association of Counties Achievement Award and National Academy of Television Arts and Sciences Emmy Award.
